Product information: The Cycle Shelters are made with a mild steel frame and are Plate Mounted Bolt down. The Eco Cycle Shelter is very easy to assemble and is delivered flat pack. The shelter is lightweight yet robust and being galvanised will give maximum protection from rust for many years. This is a full-size shelter and will take up to 10 adult cycles. The assembly is very straight forward. The shelters are available in Galvanised finish

only however if you want a painted shelter we can offer a powder coating service for any standard RAL colour.

The Cycle Rack is manufactured with 50 mm diameter RHS section and is also fully galvanised to BS EN ISO 1461:1999. Complete with base bars for bolting directly to suitable ground surface. Easy to fit and supplied as an easy assembly to be ground fixing.

To order this product please telephone 01665577022 or email [sales@urbanfab.com](mailto:sales@urbanfab.com). We will need to know the delivery address including post code and how soon you want delivery. The shelter is manufactured in large sections however assembly is a straightforward two person job.

**Product Code USP/ES10/5HR**
