Product information: The Shelters are made with a mild steel frame and are Plate Mounted Bolt down. The Shelter is very easy to assemble and is delivered flat pack. The shelter is lightweight yet robust and being galvanised will give maximum protection from rust for many years.

To order this product please telephone 01665577022 or email  
[sales@urbanfab.com](mailto:sales@urbanfab.com).

We will need to know the delivery address including post code and how soon you want delivery. The shelter is manufactured in large sections however assembly is a straightforward two person job.
