Woodlands Series Smoking Shelter Bench

Product Datasheet | Outdoor Seating | 29 October 2026

Combining the natural appearance of timber with a contemporary design, the Urbanfab Woodlands Series Bench provides an attractive and practical seating solution for outdoor spaces. Ideal for Urbanfab smoking shelters, bespoke cycle shelter arrangements and other settings, it features vacuum-treated softwood slats and a hot-dip galvanised steel frame for long-term corrosion protection.

Dimensions and Construction

Specification	Details
Overall dimensions	1400 mm L × 380 mm W × 395 mm H
Seat	Vacuum-treated softwood slats
Frame	Mild steel, hot-dip galvanised after fabrication to ISO 1461:2022
Assembly	Supplied fully assembled
Ground fixings	Concrete ground anchors included; alternative fixings available at extra cost

Hot-Dip Galvanised and Optional Powder-Coated Finishes

The mild steel frame is hot-dip galvanised after fabrication as standard. Optional powder coating over the galvanised frame is available in standard RAL colours, with matt, semi-gloss or gloss finishes, at additional cost, typically adding 3–4 working days to the lead time. Please see our **Powder Coating** guide for more information.

Installation

The bench is supplied fully assembled with concrete ground anchors for fixing to a suitable concrete surface. Alternative ground anchors are available for other suitable hard surfaces at a small additional cost. We'll contact you after ordering to discuss suitable options.

Delivery and Ordering

Free UK mainland delivery within 4–5 days. For other destinations please contact us for a tailored quotation.
